

# CHC — Chaico Coin Whitepaper

CHC — Chaico Coin Whitepaper (English Full Version)

## 1. Executive Summary

Chaico Coin (CHC) is a next-generation utility token built on the BNB Smart Chain (BEP-20). CHC powers the Chaico ecosystem, supporting decentralized trading, staking, governance, and utility services.

## 2. Mission & Vision

Mission: Deliver a transparent, secure, and community-driven token ecosystem.

Vision: Position CHC as a globally recognized Web3 utility asset with scalable real-world integrations.

## 3. Key Token Metrics

Token Name: Chaico Coin

Ticker: CHC

Standard: BEP-20

Total Supply: 100,000,000 CHC

Decimals: 18

Initial Pair: CHC/BNB

## 4. Tokenomics Structure

Liquidity Pool (10%)

Staking Rewards (30%)

Treasury / Ecosystem (40%)

Burn Allocation (10%)

Team / Developers Vesting (10%)

## 5. Liquidity Model

Initial example liquidity: 0.5 BNB + 750,000 CHC (~0.01 THB/CHC).

## 6. Utility & Use Cases

Payments, staking, governance, marketplace utility, trading on DEX.

## 7. Staking System

CHC staking with fixed/variable APY, reward contracts, and APY calculation logic.

## 8. Technical Architecture

BEP-20 contract, gas-optimized, secure allowance logic, verifiable source code.

## 9. Security Framework

Recommended liquidity lock, contract audit, multisig treasury, no hidden minting.

## 10. Roadmap

Phase 1: Deployment, liquidity, website, whitepaper.

Phase 2: Community, staking, marketing, partnerships.

Phase 3: Dashboard, governance, integrations, CG/CMC listing.

Phase 4: CEX listing, app, NFT features, cross-chain.

## 11. Governance (Future)

Voting for treasury usage, upgrades, integrations, policies.

## 12. Business Model

Revenue through DEX fees (future), staking platform fees, partnerships, ecosystem utility.

## 13. Legal & Compliance

CHC is a utility token; users must comply with local crypto regulations.

## 14. Disclaimer

Cryptocurrency involves risks. No guaranteed returns. Users assume full responsibility.

## 15. Contact

Official channels will be published on the CHC website upon launch.
